

Store Use: Dealer App. Approved _____ Move-in Date _____

Thank you for your interest in becoming a vendor with The Depot.

Our inventory changes on a daily basis, so our needs change for the type of merchandise needed. If your booth or your category of items meets our needs, we will contact you. If you are not selected, we will keep your application on file for 6 months should our needs change. Your application must include photos of either a current space or of items you would be selling. Going forward all applicants on our past waiting list will be held for 6 months. If you have not been notified within that timeframe you can reapply.

We predominately sell antiques and vintage items – but we also sell some modern furniture and home décor. We discourage vendors from selling Modern Clothing, or items you would typically sell at a yard sale. For help in determining what “we” call vintage or antique, just ask!

Having a booth at The Depot is equivalent to having your own storefront. We recommend that as a new vendor you give your booth at least 4-6 months to perform. Within this timeframe, you will know if you like doing this, and if your items are going to sell. We recommend that vendors “work” their booth weekly.

We are open 7 days a week. We collect and pay all sales taxes – you do not need a business license or permit to have a booth at The Depot.

Please PRINT in all spaces that apply.
